SUBJECT:

Public Affairs Office Conference at Airlie House

Thank you for the insightful, candid, and informative presentation you gave at our Office Conference at Airlie House on 3 August 1988. Your remarks were particularly useful in educating us all about the intricacies of the Agency's relationship with the Hill -- the pluses and the pitfalls. Feedback from the participants was uniformly positive.

I especially appreciated your willingness to take the time from what I am sure is a very busy schedule to be with us. Thanks again.
